

Financial Institutions Payment Services EUR STP guide

ING Bank N.V., the Netherlands

May 2021

Introduction

The present technical manual is part of the ING Service Specifications, as defined in the Services Agreement for Financial Institutions. This is applicable to transactions processed by ING Bank N.V., the Netherlands, hereafter referred to as 'ING'. The following subjects are covered:

- The formatting requirements for your payment instructions

ING is currently servicing payments and cash management facilities to its financial institution customers via processing units located both in Belgium and in the Netherlands. Due to locally grown business practices as well as national legal and reporting requirements, the payment processing slightly differs per location.

This manual describes all the technical requirements for services rendered by ING in the Netherlands.

The utmost has been done to make sure that the requirements and technical specifications stated in the publication are correct at the time of publishing. ING cannot be held responsible or liable for changes and/or modifications to the products and services that will inherently result in changes or modifications to the document in its current form. No rights or obligations can be derived from this document. Regular updates of these Technical Specifications will be made available in due time.
